

The Alton

A tensile fabric coned Gazebo with steel box frame

- **Tensile fabric cone with steel box frame built-in gutters, legs act as downpipes**
- **Windproof, waterproof plus 100% UV protection**
- **High quality design and materials ensures long life**

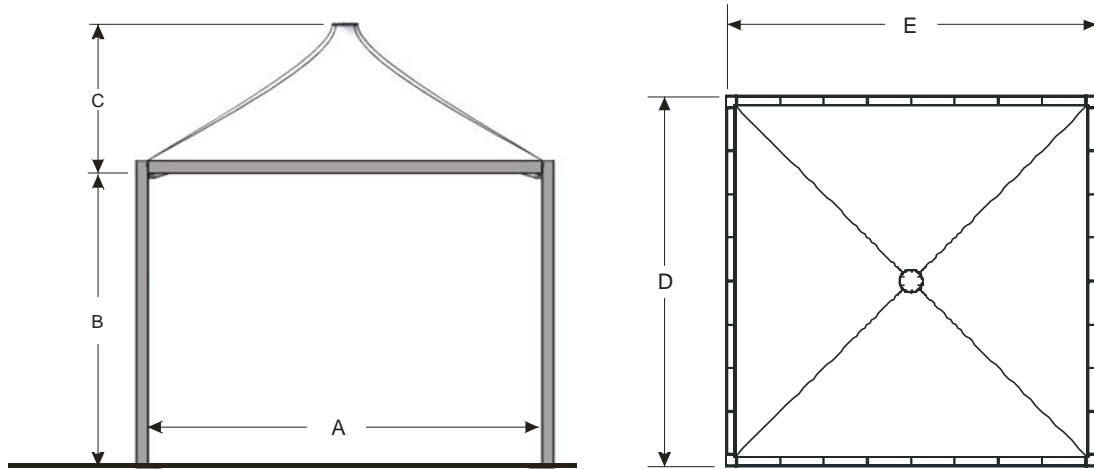

- **Alton gazebo structures are designed to attach to one another to create large covered areas, or walkways.**
- **Rainwater can be directed down any or all of the legs.**
- **Alton gazebos are hot dipped galvanised before powder coating**
